Forgot to mention: I'd like OPP to talk with Phil Landrigan and Wargo to walk them through our health risk assessment. Landrigan in particular doesn't seem to have the facts related to the FQPA Safety Factor. It would be good for there to be someone senior on the line as well as the technical experts. Phil's number is [Ex. 6 - Personal Privacy] I didn't get John's contact info. Also, let me see what you have for the Admin's meeting on 2,4-D by noon tomorrow. I will need to send on by COB tomorrow. Thx
